

# Caught In the Crowd

[Kate Miller-Heidke](#)

There was a guy at my school when I was in high school  
We'd ride side by side in the morning on our bicycles  
Never even spoken or faced each other  
But on the last hill we'd race each other  
When we reached the racks, we'd each go our own way  
I wasn't in his classes, I didn't know his name  
When we finally got to speak, he just stared at his feet  
And mumbled a sentence that ended with James  
I was young and caught in the crowd  
I didn't know then what I know now  
I was dumb and I was proud and I'm sorry  
If I could go back, do it again  
I'd be someone you could call friend  
Please, please believe that I'm sorry  
Well, he was quite a big guy, kinda shy and quiet  
When the kids called him weird, he didn't try to deny it  
Every lunchtime he'd spend walking by himself  
'Round the boundary of the grounds 'til he heard the bell  
Well, one day I found him, joined him  
on his walk  
We were silent for a while until we started to talk  
I told him my family were fighting in court  
He said his step-dad and him always fought  
We talked about music, he was into punk  
Told me all the bands that I liked were junk  
I said I'd never heard the songs the Sex Pistols sang  
I laughed back at him and then the bell rang  
I was young and caught in the crowd  
I didn't know then what I know now  
I was dumb and I was proud and I'm sorry  
If I could go back, do it again  
I'd be someone you could call friend  
Please, please believe that I'm sorry  
It was after school in the afternoon  
The corridors were crowded as we came out of the rooms  
Three guys I knew pushed him into the cement  
Threw away his bag and said he had no friends  
He yelled that he did and he looked around  
Tried getting up but they pushed him on down  
That's when he saw me, called out my name  
And I turned my back and just walked away  
Yeah, I turned my back and just walked away  
I was young and caught in the crowd  
I didn't know then what I know now  
I was dumb and I was proud and I'm sorry  
If I could go back, do it again  
I'd be someone you could call friend  
Please, please believe that I'm sorry  
Please, please believe that I'm sorry
