

# Murder She Wrote (Remix) [feat. Comethazine]

Tay K

Ran up with some hope and he ran off as a ghost  
Chopper with a stock , and a dick, and a scope  
She say's she was sleep , she says tay-k now I'm woke  
Come here bitch throat oh oh oh oh  
Try to play me like a pussy nigga and it won't work  
Chopper with the stock; Its gon' kick but it won't hurt  
Turn this bitch sideways , rip him like some homework  
Sneak up in his trap under the bed like a monster  
Pop up out the cut with the choppa whose the owner ?  
Today you're not a trap star today you are a donor  
I don't want to cool it with the thot I'm tryna bone her  
She throw the pussy on me like i put it in a corner  
I made a movie with a opp thot; she says i cloned her  
She got stussy on , that bitch basic and this won't work  
Every slug hot , like a rapper at a concert  
She says peep game , play her like some poker  
I said yes; dentist said are you a smoker?  
OG cookies and pussy niggas, cuz i do both  
And i asked her what the dick did and murder she wrote  
And she wanna give me mo' head but my dick hurt her throat  
Come here bitch oh oh oh oh oh  
Chopper with a stock and a dick and a scope  
Run up on lil Tay-K, you ain't running u gon' float  
She don't like bloods , says she never had a Loc  
Coppers pull us over then we're running like a hoe  
And if they get to close we get to dumping like a hoe  
Have them doctors cutting heads up like a pumpkin in this ho'  
And my whole gang stacking like a bunk bed in this hoe  
He ran up with some hope and he ran off as a ghost  
Chopper wit a stock and a dick and a scope  
She says she was sleep she says Tay-K now I'm woke  
Come here bitch throat oh oh oh oh  
Come here bitch throat oh oh oh oh  
Chopper wit a stock and a dick and a scope  
Run up run up on lil Tay-K You ain't running' You got float  
Come her bitch oh oh oh oh
