## Istanbul

## **They Might Be Giants**

Istanbul was Constantinople Now it's Istanbul, not Constantinople Been a long time gone, Constantinople Now it's Turkish delight on a moonlit nightEvery gal in Constantinople Lives in Istanbul, not Constantinople So if you've a date in Constantinople She'll be waiting in IstanbulEven old New York was once New Amsterdam Why they changed it I can't say People just liked it better that way So take me back to Constantinople No, you can't go back to Constantinople Been a long time gone, Constantinople Why did Constantinople get the works? That's nobody's business but the TurksIstanbul, Istanbul Istanbul, IstanbulEven old New York was once New Amsterdam Why they changed it I can't say People just liked it better that wayIstanbul was Constantinople Now it's Istanbul, not Constantinople Been a long time gone, Constantinople Why did Constantinople get the works? That's nobody's business but the Turks So take me back to Constantinople No, you can't go back to Constantinople Been a long time gone, Constantinople Why did Constantinople get the works? That's nobody's business but the TurksIstanbul
