She's a Woman

Jeff Beck

My love don't give me presents I know that she's no peasant Only ever has to give me Love forever and forever My love don't give me presentsTurns me on when I get lonely People tell me that she's only fooling I know she isn'tShe don't give boys the eye She hates to see me cry She is happy just to hear me Say that I will never leave her She don't give boys the eyeShe will never make me jealous Gives me all her time as well as loving Don't ask me why She's a woman who understands She's a woman who loves her manMy love don't give me presents I know that she's no peasant Only ever has to give me Love forever and forever My love don't give me presentsTurns me on when I get lonely People tell me that she's only fooling I know she isn't, wooShe's a woman who understands She's a woman who loves her manMy love don't give me presents I know that she's no peasant Only ever has to give me Love forever and forever My love don't give me presents Turns me on when I get lonely People tell me that she's only fooling I know she isn'tShe's a woman She's a woman She's a woman
