

Easily

Bruno Major

Don't 'cha tell me that it wasn't meant to be
Call it quits or call it destiny
Just because it won't come, easily
Doesn't mean, we shouldn't try We had a good thing goin lately
Might not've always been a fairytale
But you know, and I know,
That they ain't real
I'll take the truth over the story You might've tried my patience greatly
But i'm not about to let us fail
I'll be the wind picking up your sail
But won't cha do somethin' for me
Don't you tell me that it wasn't meant to be
Call it quits or call it destiny
Just because it won't come easily
Doesn't mean we shouldn't try Comin' and goin'
Inside out, and back to front
All tangled and messy
And that's how we'll feel
And will always be
And that's alright with me Don't you tell me that it wasn't meant to be
Call it quits or call it destiny
Just because it won't come, easily
Doesn't mean we shouldn't try, try, try
Just because it won't come, easily
Doesn't mean we shouldn't try
Just because it won't come, easily
Doesn't mean we shouldn't try, try, try
Just because it won't come, easily
Doesn't mean we shouldn't try
