

Just for Tonight

Rookie of the Year

You fake yourself from everyone.
And you cry yourself to sleep.
Listen for the phone to ring.
As you wait impatiently.
If you lose heart.
Take some of mine just for tonight.
Just for tonight.
Waiting as time goes by.
Wish you were mine.
Wish you were mine.
Just for tonight.
If you lose heart take some of mine.
Just for tonight.
Just for tonight
