

# A Message

## Coldplay

My song is love  
Love to the loveless shown  
And it goes on  
You don't have to be alone Your heavy heart  
Is made of stone  
And it's so hard to see you clearly  
You don't have to be on your own  
You don't have to be on your own  
And I'm not going to take it back  
And I'm not going to say I don't mean that  
You're the target that I'm aiming at  
And I get that message home My song is love  
My song is love unknown  
But I'm on fire for you clearly  
You don't have to be alone  
You don't have to be on your own And I'm not going to take it back  
And I'm not going to say I don't mean that  
You're the target that I'm aiming at  
And I'm nothing on my own  
Got to get that message home  
And I'm not going to stand and wait  
Not going to leave it until it's much too late  
On a platform I'm going to stand and say  
That I'm nothing on my own  
And I love you, please come home  
My song is love, is love unknown  
And I've got to get that message home
