

The End of the World

Susan Boyle

Why does the sun go on shining?
Why does the sea rush to the shore?
Don't know it's the end of the world
'cos you don't love me anymore? Why do the birds go on singing?
Why do the stars glow above?
Don't they know it's the end of the world
It ended when I lost your love I wake up in the morning and I wonder
Why everything's the same as it was.
I can't understand, no I can't understand
how life goes on the way it does.
Why does my heart go on beating?
Why do these eyes of mine cry?
Don't they know it's the end of the world,
It ended when you said goodbye. (spoken): Why does my heart go on beating?
Why do these eyes of mine cry?
Don't they know it's the end of the world
(sung): It ended when you said goodbye. I wake up in the morning and I wonder
Why everything's the same as it was
I can't understand, no I can't understand
how life goes on the way it does.
Why does my heart go on beating?
Why do these eyes of mine cry?
Don't they know it's the end of the world
It ended when you said goodbye Oh don't, don't they know it's the end of the world
It ended when you said goodbye.
