

# Last Night in the City (feat. Kiesza)

## Duran Duran

I'm not gonna sleep tonight  
Till the morning fills the sky  
No one's getting left behind  
This is our time  
This is our time We gonna live this night (Yeah)  
Live it like it's our last night  
'Cause nobody cares if there's  
No tomorrow!  
I'm not thinking 'bout the future (future)  
It's somewhere out there  
We're all busy being human (human)  
We remember  
Hearts beating all around me (together)  
Now  
They're surrounding me  
This is how we get connected  
Running like the shadows into light We're gonna live this night (Yeah)  
Live it like it's our last night  
'Cause nobody cares if there's  
No tomorrow!  
We're gonna love this night (Yeah)  
Love it like it's our last night  
Stars up in the air (Yeah)  
It's our last night in the city  
I've been traveling around now (Big world)  
With my brothers  
Always moving to a new town  
No time to put the roofs down  
We can't stop believing (Can't stop)  
Now we believe in you  
'Cause when your standing in the spotlight  
The only thing that matters is the night! We're going to live this night (Yeah)  
Live it like it's our last night  
'Cause nobody cares if there's  
No tomorrow!  
We're going to love this night (Yeah)  
Love it like it's our last night  
Stars up in the air (Yeah)  
It's our last night in the city  
(Yeah)  
Last night in the city  
(Yeah)

Last night in the city I'm not gonna sleep tonight  
Till the morning fills the sky  
No one's getting left behind  
This is our time  
This is our time We're going to live this night (Yeah)  
Live it like it's our last night  
'Cause nobody cares if there's  
No tomorrow!  
We're going to love this night (Yeah)  
Love it like it's our last night  
Stars up in the air (Ooh Yeah)  
It's our last night in the city  
Yeah  
Last night in the city  
Yeah  
Last night in the city
