

# Dance Anthem of the 80's

## Regina Spektor

You are so sweet  
Dancing to that beat There's a meat market down the street  
The boys and the girls watch each other eat You are so sweet, so sweet  
Dancing and moving to that beat, that beat There's a meat market down the street  
The boys and girls watch each other eat  
The boys and the girls watch each other eat  
When they really just wanna watch each other  
Sleep  
They want to watch, to watch each other  
Sleep, sleep sleep  
Sleep  
They want to watch, to watch each other  
Sleep, sleep, sleep  
You are so sweet (Once more)  
You are so sweet (Solo!)(vocalizations) Aah, aah, aah I went walking through the city  
Like a drunk, but not  
With my slip showing a little  
Like a drunk, but not  
And I am one of your people  
But the cars don't stop  
And I am one of your people  
But the cars don't stop  
And it's been a long time since before I've been touched  
Now I'm getting touched all the time  
And it's only a matter of whom  
And it's only a matter of when  
An addiction to hands and feet  
There's a meat market down the street  
The boys and girls watch each other eat  
When they really just wanna watch each other sleep  
An addiction to hands and feet  
There's a meat market down the street  
The boys and girls watch each other eat  
When they really just wanna watch each other Sleep  
They want to watch, to watch each other  
Sleep, sleep, sleep  
Sleep  
They want to watch, to watch each other  
Sleep, sleep, sleep  
They want to watch, to watch each other  
They want to be watched, they want to be washed  
They want to be touched, to touch each other

They want to sleep, they want to be slept  
They want to watch, to watch each other  
They want to be watched, they want to be washed  
They want to be touched, to touch each other  
They want to sleep, they want to be slept  
They want to watch, to watch each other  
They want to be watched, they want to be washed  
They want to be touched, to touch each other  
They want to sleep, they want to be slept  
They want to watch, to watch each other  
They want to watch, they want to be watched  
To watch each other, to watch each other  
To watch each other...Watch each other  
    Watch each other  
    Watch each other  
    Watch each other  
    Watch each other  
    Watch each other...
