

# Invincible (feat. Kelly Rowland)

## Tinie Tempah

Tinie Tempah, Yeah ah,  
Kelly Rowland, let's goInvincible, invincible  
Invincible, invincible  
We're invincibleYeah ah they said we shouldn't,  
Yeah they said we wouldn't  
Aah look where we are,  
We've done what they thought we couldn't  
As bad as the odds were looking,  
Push yeah, we kept on pushing  
And every time I nearly hit the ground,  
You were my cushion  
There's evidence that proves,  
That you were heaven sent  
Cause when I needed rescuin',  
You were there at my defence  
Girl in you I find a friend,  
You make me feel alive again  
And I feel like the brightest star,  
cause you make me shine again  
No matter where we are  
No matter just how far are paths may lead  
We don't need no shields, Love is the armour that we need  
We're invincible, Invincible  
Invincible, Loves our protector  
Invincible, Invincible  
Invincible, We're invincibleAah from the wildest water,  
Yeah to the highest mountains  
Aah you and I forever,  
Even through the driest deserts  
You lift me higher than ever,  
I feel as light as a feather  
And when we're fightin' together,  
We can take on the weather  
I will keep you warm through,  
Every single storm you  
Ever have to walk through,  
I will go before you  
I will be the voice when you,  
Need someone to talk to  
Please don't ever doubt me,  
Let me reassure you  
No matter where we are,

No matter just how far are paths may lead  
We don't need no shields, Love is the armour that we need  
We're invincible, Invincible  
Invincible, Loves our protector  
Invincible, Invincible  
Invincible, We're invincible It's you and me against the world  
They can't stop us now  
We've come too far  
We've worked too hard  
We're invincible, forever No matter where we are,  
No matter just how far are paths may lead  
We're invincible No matter where we are  
No matter just how far are paths may lead  
We don't need no shields,  
Love is the armour that we need  
We're invincible, Invincible  
Invincible, Loves our protector  
Invincible, Invincible  
Invincible, We're invincible
