Diane Young

Vampire Weekend

You torched a Saab like a pile of leaves
I'd gone to find some better wheels
Four or five meters running 'round the bend
When the government agents surround you again
If Diane Young won't change your mind
Baby baby baby right on timeOut of control but you're playing a role

You think you can go to the eighteenth hole

Well, you flip-flop the day of the championship

Try to go it alone, you roll for a bit

If Diane Young won't change your mind

Baby baby baby right on time

Baby baby baby right on

Baby baby baby it's a light on

Baby baby baby it's a lifetime

Baby baby baby right on

Time, time, time, time, time

Baby baby baby right on timeLet 'em go

If Diane Young won't change your mind

Baby baby baby right on timeIrish and proud baby naturally

But you got the luck of a Kennedy

So grab the wheel, keep holding it tight

'Til you're driving off in the black of the night

If Diane Young won't change your mind

Baby baby baby right on time

Baby baby baby right on

Baby baby baby right on

Baby baby baby it's a light on

Baby baby baby it's a lifetime

Baby baby baby right on

Time, time, time, time

Baby baby baby right on timeNobody knows what the future holds on

Said it's bad enough just getting old

Live my life, they say it's too fast

You know I love the past, 'cause I hate suspense

If Diane Young won't change your mind

Baby baby baby right on time
