## Caught Up

## **Usher**

I'm the kind of brotha
Who been doin' it my way
Gettin' my bread for years
In my career
(And every lover
In and out my life
I hear love and left the tears

Until I met this girl who turned the tables around She caught me by surprise

I never thought I'd be the one breaking down
I cant figure it out why

Without a care

I'm so

(Caught up)

Got me feelin' it

(Caught up)

I don't know what it is

But it seems shes got me twisted

I'm so

(Caught up)

Got me feelin' it

(Caught up)

I'm losin' controlThis girls got a hold on me

(Let me go baby)

(Now listen)

My momma told me

Be careful who you do cuz karma comes back around

Same ol' song

But I was so sure

That it wouldnt happen to me

Cuz I know how to put it down

But I was so wrong

This girl was mean

She really turned me outHer body was so tight I'm lookin' for her in the daytime with a flashlight My homies say this girl is crampin' my style

And I can't figure it out butI'm so

(Caught up)

Got me feelin' it

(Caught up)

I don't know what it is

But it seems shes got me twisted

```
I'm so
                                (Caught up)
                              Got me feelin' it
                                (Caught up)
                              I'm losin' control
                            This girls got a hold
                                   I'm so
                                (Caught up)
                               Really feelin' it
                                (Caught up)
                           I don't know what it is
                      But it seems shes got me twisted
                              I'm so(Caught up)
                               Really feelin' it
                        (Caught up)I'm losin' control
             This girls got a hold on meAnd I think I like it baby
                               Oh nooo, oh no
                    Ooh, yeaah, oh myThis girl was mean
                          She really turned me out
                           Yeah, yeah, yeah, suga
                My homies say this girl is crampin' my style
                                   I'm so
                                (Caught up)
                                (Caught up)
                            Don't know what it is
                      But it seems shes got me twisted
                                   I'm so
                                (Caught up)
                               Really feelin' it
                                (Caught up)
                              I'm losin' control
                            This girls got a hold
                                   I'm so
                                (Caught up)
                                    Im so
                                (Caught up)
           I don't know what it isBut it seems shes got me twisted
                                     I'm
                                (Caught up)
                               Really feelin' it
                                (Caught up)
                              I'm losin' control
                         This girls got a hold on me
                                   Ooooh
                                   Ooooh
                                   Ooooh
                                   Ooooh
