

Nobody Compares

One Direction

You're so pretty when you cry, when you cry
Wasn't ready to hear you say goodbye
Now you're tearing me apart, tearing me apart
You're tearing me apart You're so London your own style, your own style
And together we're so good, so girl why are you
Tearing me apart, tearing me apart
You're tearing me apart Did I do something stupid
Yeah, girl if I blew it
Just tell me what I did, let's work through it
There's gotta be some way
To getcha to want me like before
'Cause no one ever looks so good in a dress
And it hurts 'cause I know you won't be mine tonight
No one ever makes me feel like you do when you smile
Baby tell me how to make it right Now all my friends say it's not really worth it
But even if that's true
No one in the world could stop me from not moving on
Baby even if I wanted to
Nobody compares to you We're so Paris when we kissed, when we kissed
I remember the taste of your lipstick
Now you're tearing up my heart, tearing up my heart
You're tearing up my heart Did I do something stupid
Yeah, girl if I blew it
Just tell me what I did, let's work through it
There's gotta be some way
To getcha to want me like before
'Cause no one ever looks so good in a dress
And it hurts 'cause I know you won't be mine tonight
No one ever makes me feel like you do when you smile
Baby tell me how to make it right Now all my friends say it's not really worth it
But even if that's true
No one in the world could stop me from not moving on
Baby even if I wanted to
Nobody compares to you
Nobody compares to you There's gotta be some way
To getcha to want me like before 'Cause no one ever looks so good in a dress
And it hurts 'cause I know you won't be mine tonight
No one ever makes me feel like you do when you smile
Baby tell me how to make it right Now all my friends say it's not really worth it
But even if that's true
No one in the world could stop me from not moving on
Baby even if I wanted to

Nobody compares to you
