Nobody Compares

One Direction

You're so pretty when you cry, when you cry Wasn't ready to hear you say goodbye Now you're tearing me apart, tearing me apart You're tearing me apartYou're so London your own style, your own style And together we're so good, so girl why are you Tearing me apart, tearing me apart You're tearing me apartDid I do something stupid Yeah, girl if I blew it Just tell me what I did, let's work through it There's gotta be some way To getcha to want me like before 'Cause no one ever looks so good in a dress And it hurts 'cause I know you won't be mine tonight No one ever makes me feel like you do when you smile

Baby tell me how to make it rightNow all my friends say it's not really worth it But even if that's true

> No one in the world could stop me from not moving on Baby even if I wanted to

Nobody compares to youWe're so Paris when we kissed, when we kissed I remember the taste of your lipstick

Now you're tearing up my heart, tearing up my heart You're tearing up my heartDid I do something stupid

Yeah, girl if I blew it

Just tell me what I did, let's work through it

There's gotta be some way

To getcha to want me like before

'Cause no one ever looks so good in a dress

And it hurts 'cause I know you won't be mine tonight

No one ever makes me feel like you do when you smile

Baby tell me how to make it rightNow all my friends say it's not really worth it But even if that's true

No one in the world could stop me from not moving on

Baby even if I wanted to

Nobody compares to you

Nobody compares to youThere's gotta be some way

To getcha to want me like before'Cause no one ever looks so good in a dress

And it hurts 'cause I know you won't be mine tonight

No one ever makes me feel like you do when you smile

Baby tell me how to make it rightNow all my friends say it's not really worth it But even if that's true

No one in the world could stop me from not moving on Baby even if I wanted to

Nobody compares to you
