

Sofia (Dert - The Sophie's Choice Mix)

West Indian Girl

If I should leave and never return
 Lite a candle and let it burn
 'Cause light transcends time
And when it's raining on the avenue
 A wind will blow me back to you
This time it's for real Come home, Sofia If you see a light just off the road
 A line of footsteps in the snow
 Don't stop, you're almost home
 Knock three times and ring the bell
 You'll hear a voice you knew so well
It takes you from the cold Come home, Sofia
 She's floating up to outer space
 And this time it's for real
When I look back it comes to me
 Love is a symphony and
 She and God are one
