

I'm the One

Static-X

Living in the moment
Forgotten and repeated
No I cannot be that one
No I cannot be beaten.I'm the (yeah)
I'm the (yeah)
I'm the (yeah)
I'm the one.I don't want you
I don't need you
With closed eyes I
See right through you
I was crawling
Always falling
You don't know what
I have lived through.
No I am not a rich man
No I am not a bitch
I know you made one mistake
This is my life
You cannot take it.I'm the (yeah)
I'm the (yeah)
I'm the (yeah)
I'm the one.I don't want you
I don't need you
With closed eyes I
See right through you
I was crawling
Always falling
You don't know what
I have lived through.

Termination
Self-destructive
Revolution. Bring it down
To the ground
I'm unchained
Not a slave.I'm the (yeah)
I'm the (yeah)
I'm the (yeah)

I'm the one.I don't want you
I don't need you
With closed eyes I
See right through you
I was crawling
Always falling
You don't know what
I have lived through.
