

Look Out Any Window

Bruce Hornsby & The Range

There's a man workin' in a field
See's the rain and it's burning
He's saying this can't be real
Oh as he sees the color of the fields turning Far away them too busy getting rich to care
Close their eyes, let it all out into the air
Hoping nobody else would care Look out any window
Look out any open door
Look out any window
See what's going on in the world around you There's a man working on a boat
Pulling lines from the water
Just trying to stay afloat
Oh filling the nets is getting harder
Far away they bend the rules so secretly
Close their eyes and let it all out into the sea
Hoping nobody else would see Look out any window
Look out any open door
Look out any window
See what's going on in the air around you Far away too many leaders let them get their way
Close their eyes and let it all out into the bay
Say they'll clear it up another day Look out any window
Look out any open door
Look out any window
See what's going on in the air around you Look out, look out for the big boys
Telling you everything they're gonna do
Look out, look out for the fat cat builder man
Turning this into a wasteland
Look out, look out for the back room boys
That say the smoke is gonna blow away
Look out, look out for the men who say it's okay
Sitting in a building far away
