

# Look Out Any Window

## Bruce Hornsby & The Range

There's a man workin' in a field  
See's the rain and it's burning  
He's saying this can't be real  
Oh as he sees the color of the fields turning  
Far away them too busy getting rich to care  
Close their eyes, let it all out into the air  
Hoping nobody else would care  
Look out any window  
Look out any open door  
Look out any window  
See what's going on in the world around you  
There's a man working on a boat  
Pulling lines from the water  
Just trying to stay afloat  
Oh filling the nets is getting harder  
Far away they bend the rules so secretly  
Close their eyes and let it all out into the sea  
Hoping nobody else would see  
Look out any window  
Look out any open door  
Look out any window  
See what's going on in the air around you  
Far away too many leaders let them get their way  
Close their eyes and let it all out into the bay  
Say they'll clear it up another day  
Look out any window  
Look out any open door  
Look out any window  
See what's going on in the air around you  
Look out, look out for the big boys  
Telling you everything they're gonna do  
Look out, look out for the fat cat builder man  
Turning this into a wasteland  
Look out, look out for the back room boys  
That say the smoke is gonna blow away  
Look out, look out for the men who say it's okay  
Sitting in a building far away
