## Burna Boy

Ma ro se oh  
Tori Ibere Ki so N'ise oh  
Enito se tan L'osowun gbogbo Work work work work work  
Yuh see seh man ah work work work work work  
Trigger finger make her squirt squirt squirt squirt  
Make you wiggle like a worm worm worm worm worm worm  
Yuh ah go learn learn learn learn learn  
Get on top of me and work work work work work  
Gyal yuh haffi work work work work work  
Yuh fi ride it till it hurt hurt hurt hurt hurt  
I've been stuck in my own world  
Fk my ex and her home girls  
I swear I ain't been sober  
Since she told me it was over  
Ooooh that was fked up  
Girl the last time you seen me was fked up  
You know I said some things  
You said some things  
Neither of us ain't really mean em  
Woah ain't mean to hurt your feelings  
Yeahh! btch I know you see me  
From the rats and the flies and the roaches  
To the mansions with gardens and roses you know I  
Work work work work work  
Yuh see seh man ah work work work work work  
Btches getting on my nerves nerves nerves nerves nerves  
They love the way I work work work work work  
I'm smoking the herb herb herb herb herb  
Sensi man ah burn burn burn burn burn  
When you ah go learn learn learn learn learn  
To the psy me return turn turn turn turn My car haffi park inna your garage  
Get ready for me baby  
Ah me alone do it me na bring entourage  
Yuh fi run put it pon me baby  
When she dey around me everything nice  
Me see happiness when me look in her eyes  
Girlfriend tell her say she nuh wan fight  
She just want di don fi make her feel alright  
I've been on a cold dark road  
Tryna find my way home  
Girl all alone  
Sorry I ain't talk to you on the phone, A ngga had to Work work work work work

Yuh no see seh man ah work work work work work  
Money man ah search search search search search  
Man ah hustle man ah work work work work work work  
Me do me dirt dirt dirt dirt dirt  
Anything fi earn earn earn earn  
Me seh daddy haffi work work work work work  
Daddy haffi work work work work work workHMMMMMMMMHow we wake up and  
everything is wrong  
How many times we gotta go down this road girl  
Could be blind but I can see right through your soul girl  
You was mine but now you just my old girl  
But it's fine cuz I've adapted to this cold world  
Because relationships ain't meant for me  
No it wasn't meant to be  
All the hardest things to do for me  
Are all the things you never seeGirl, ma ro se oh
