

# Hold On Loosely

## 38 Special

You see it all around you  
Good lovin' gone bad  
And usually it's too late when you  
Realize what you had And my mind goes back to a girl I met  
Some years ago who told me  
Just hold on loosely  
But don't let go  
If you cling too tightly  
You're gonna lose control Your baby needs someone to believe in  
And a whole lot of space to breathe in It's so damn easy  
When you feel her soft touch  
To overprotect her  
To love her too much  
And my mind goes back to a girl I met  
Some years ago who told me Just hold on loosely  
But don't let go  
If you cling too tightly  
You're gonna lose control Your baby needs someone to believe in  
And a whole lot of space to breathe in Don't let her slip away  
Sentimental fool  
Don't let your heart get in the way  
Yeah, yeah, yeah You see it all around you  
Good lovin' gone bad  
And usually it's too late when you  
Realize what you had  
So hold on loosely  
But don't let go  
If you cling too tightly  
You're gonna lose control Your baby needs someone to believe in  
And a whole lot of space to breathe in So hold on loosely  
But don't let go  
If you cling too tightly  
You're gonna lose it  
You're gonna lose control Yeah, yeah, yeah, yeah So hold on loosely  
But don't let go  
If you cling too tightly  
You're gonna lose control But don't let go  
If you cling too tightly to her  
You're gonna lose control, yeah, yeah, yeah
