

Here I Am

Asking Alexandria

I'm unashamed of my mistakes
I walked the path I had to take
It's made me who I am today This reign of hate is done
We're gonna take this over now
And we've only just begun Here I am
This is all of me
I'm not hiding
I'm standing tall for all to see Here I am
There is nothing bigger
Nothing brighter than a future I see So if you find it hard to breathe
You can put your faith in me
I'll be the light that leads your way
We are the voice of a generation
So take your chance and don't back down Here I am
This is all of me
I'm not hiding
I'm standing tall for all to see Here I am
There is nothing bigger
Nothing brighter than a future I see Take this chance
Take a stand
Take this chance
Don't back down Here I am
This is all of me
I'm not hiding
I'm standing tall for all to see
Here I am
There is nothing bigger
Nothing brighter than a future I see
So take this chance
Don't back down
Take a stand
And never let them bring you down
So take this chance
Don't back down
And never let them bring you down
So take this chance
Don't back down
And never let them bring you down
