Here I Am

Asking Alexandria

I'm unashamed of my mistakes I walked the path I had to take

It's made me who I am today This reign of hate is done

We're gonna take this over now

And we've only just begunHere I am

This is all of me

I'm not hiding

I'm standing tall for all to seeHere I am

There is nothing bigger

Nothing brighter than a future I seeSo if you find it hard to breathe

You can put your faith in me

I'll be the light that leads your way

We are the voice of a generation

So take your chance and don't back downHere I am

This is all of me

I'm not hiding

I'm standing tall for all to seeHere I am

There is nothing bigger

Nothing brighter than a future I seeTake this chance

Take a stand

Take this chance

Don't back downHere I am

This is all of me

I'm not hiding

I'm standing tall for all to see

Here I am

There is nothing bigger

Nothing brighter than a future I see

So take this chance

Don't back down

Take a stand

And never let them bring you down

So take this chance

Don't back down

And never let them bring you down

So take this chance

Don't back down

And never let them bring you down
