

Radioactive

Marina and The Diamonds

Lying on a fake beach
You'll never get a tan
Baby I'm gonna leave you drowning until you reach for my hand
In the night your heart is full and by the morning empty
But baby I'm the one who left you
you're not the one who left me
When you're around me, I'm radioactive
My blood is burning, radioactive
I'm turning radioactive
My blood is radioactive
My heart is nuclear
Love is all that I fear
I'm turning radioactive
My blood is radioactive
Waiting for the night fall, for my heart to light up
Oh baby I want you to die for, for you to die for my love
In the night your heart is full and by the morning empty
But baby I'm the one who left you, you're not the one who left me
When you're around me, I'm radioactive
My blood is burning, radioactive
I'm turning radioactive
My blood is radioactive
My heart is nuclear
Love is all that I fear
Ready to be let down
Now I'm heading for a meltdown
Tonight I feel like neon gold
I take one look at you and I grow cold
And I grow cold...
And I grow cold...
When you're around me, I'm radioactive
My blood is burning, radioactive
I'm turning radioactive
My blood is radioactive
My heart is nuclear
Love is all that I fear
Ready to be let down
Now I'm heading for a meltdown
My heart is nuclear
Love is all that I fear
