

Purple Rain

Phish

I never meant to cause you any problem
I never meant to cause you any pain
I only wanted to one time see you laughing
Only wanted to see you laughing in the purple rainPurple rain, purple rain
Purple rain, purple rain
Purple rain, purple rainI only wanted to see you bathing in the purple rainI never wanted to be
your weekend lover
I only wanted to be some kind of friend
Babe I could never steal you from another
It's such a shame our friendship had to end
Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rainI only wanted to see you baby in the purple rainI know, I know, I know
times are changing
It's time we all reach out for the new that means you too
Now I know you say you want a leader
But you can't seem to make up your mind
I think you're common [Incomprehensible]
And let me guide you to the purple rain
Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rainI only want to see you, only want to see you in the purple rain
