Love Me Harder (feat. The Weeknd)

Ariana Grande

Tell me something i need to know
then take my breath and never let it go
if you just let me invade your space
i'll take the pleasure, take it with the painand defend the moment i bit my lip
baby in that moment you'll know this is
something bigger than us
and be a blissgive me a reason to believe it

cause if you want to keep me

you gotta, gotta, gotta, got to love me harder and if you really need me

you gotta, gotta, gotta, got to love me harder

love me, love me, love me

harder harder harder

i know your motives and you know mine

the ones that love me i tend to leave behindif you know about me and choose to stay then take this pleasure and take it with the pain

and defend the moment you bite your lip

when i get you moanin you know it's realcan you feel the preasure between your hips

i'll make it feel like the first time

cause if you want to keep me

you gotta, gotta, gotta, gotta, got to love me harder (imma love you harder)

and if you really need me

you gotta, gotta, gotta, gotta, got to love me harder (I love me harder)love me, love me, love me

harder harder harder

love me, love me, love me

harder harder harder

so what do i do if i can't figure it out(figure it out)

you've got to try try try again

so what do i do if i can't figure it out

im gonna leave leave leave cause

cause if you want to keep me

you gotta, gotta, gotta, gotta, got to love me harder (imma love you love you love

you)

and if you really need me

you gotta, gotta, gotta, gotta, got to love me harder (love love me baby)

cause if you want to keep me

you gotta, gotta, gotta, gotta, got to love me harder
