

# Here We Go Again (feat. Louisa)

## Sigma

Another Monday broke as hell  
Another day I'll pay the price  
For getting on the carousel  
I always say just one more ride And one more always  
    Turns into running  
    Our bodies to the ground  
    Drowning our problems  
    And drinking them down  
    The days keep coming  
And we keep going round and round  
    'Cause we're all just here  
    Passing the time  
    Looking for love  
    And getting too high  
    Maybe we're a total mess  
    And maybe we're alright with it  
    'Cause all we need is out on the floor  
    Hands in the air and cares out the door  
    Singing as the night kicks in  
Here we, here we go again Here we, here we go again  
    Singing as the night kicks in  
Here we, here we go again Another name I'll just forget  
    Another night of no return  
    I should be waking in my bed  
    But every time I never learn  
    'Cause one more always  
    Turns into running  
    Our bodies to the ground  
    Drowning our problems  
    And drinking them down  
    The days keep coming  
And we keep going round and round 'Cause we're all just here  
    Passing the time  
    Looking for love  
    And getting too high  
    Maybe we're a total mess  
    And maybe we're alright with it  
    'Cause all we need is out on the floor  
    Hands in the air and cares out the door  
    Singing as the night kicks in  
Here we, here we go again Here we go again  
    Singing as the night kicks in

Here we, here we go again
