## Katy Perry

Greetings loved ones, let's take a journey  
Yeah, the o-o-o-o-o-o-o-one  
Uh-huh, baby you're a California girl Let's go all the way tonight  
No regrets, just love  
We can dance until we die  
You and I will be young forever  
You make me feel like I'm livin' a  
Teenage dream, the way you turn me on  
I can't sleep  
Let's run away and don't ever look back, don't ever look back  
My heart stops when you look at me  
Just one touch, now baby I believe this is real  
So take a chance and  
Don't ever look back, don't ever look back  
I'ma get your heart racing in my skin tight jeans  
Be your Teenage Dream tonight  
Let you put your hands on me in my skin tight jeans  
Be your Teenage Dream tonight  
Yeah! I know a place  
Where the grass is really greener  
Warm, wet and wild  
There must be somethin' in the water  
You could travel the world  
But nothin' comes close to the Golden Coast  
Once you party with us  
You'll be fallin' in love  
Oh oh oh oh oh oh oh  
California girls, we're unforgettable  
Daisy Dukes, bikinis on top  
Sun kissed skin, so hot, we'll melt ya popsicle  
Oh oh oh oh oh oh oh oh oh oh oh  
California girls, we're undeniable Fine, fresh, fierce, we got it on lock  
West Coast represent, now put your hands up  
Oh oh oh oh oh oh oh oh oh oh oh In another life  
I would be your girl  
We'd keep all our promises  
Be us against the world  
In another life  
I would make you stay  
So I don't have to say you were  
The one that got away, the one that got away  
The o-o-o-o-o-o-o-one, the one

The o-o-o-o-o-o-o-one, the one  
The o-o-o-o-o-o-o-one, the one  
In another life I would make you stay  
So I don't have to say you were  
The one that got away  
There's a stranger in my bed  
There's a pounding in my head  
Glitter all over the room  
Pink flamingos in the pool  
I smell like a mini bar  
DJ's passed out in the yard  
Barbies on the barbecue  
This a hickie or a bruise?  
Pictures of last night ended up online  
I'm screwed, oh well  
It's a blacked-out blur  
But I'm pretty sure it ruled  
Last Friday night  
Yeah we danced on table tops  
And we took too many shots  
Think we kissed but I forgot  
Last Friday night  
Yeah we maxed our credit cards  
And got kicked out of the bar  
So we hit the boulevard  
Last Friday night  
We went streaking in the park  
Skinny dipping in the dark  
Then had a menage a trois  
Last Friday night  
Yeah I think we broke the law  
Always say we're gonna stop, oh whoa oh  
This Friday night, do it all again  
T.G.I.F.  
T.G.I.F.T.G.I.F.  
T.G.I.F.  
T.G.I.F. You're so hypnotizing  
Could you be the devil  
Could you be an angel  
Your touch magnetizing  
Feels like I am floating  
Leaves my body glowing  
They say be afraid  
You're not like the others  
Futuristic lover  
Different DNA  
They don't understand you  
You're from a whole nother world  
A different dimension  
You've opened my eyes  
Now I'm ready to go  
Lead me into the light

Kiss me, k-k-kiss me  
Infect me with your lovin  
Fill me with your poison  
Take me, ta-ta-take me Wanna be your victim  
Ready for abduction  
Boy, you're an alien  
Your touch so foreign It's supernatural, extraterrestrial  
Do you ever feel  
Like a plastic bag  
Drifting through the wind  
Wanting to start again Do you ever feel  
Feel so paper thin  
Like a house of cards  
One blow from cavin' in  
Do you ever feel  
Already buried deep  
Six feet under screams  
But no one seems to hear a thing  
Do you know that there's still a chance for you  
Cause there's a spark in you  
You just gotta ignite the light  
And let it shine  
Just own the night  
Like the 4th of July  
Cause baby you're a firework  
Come on show 'em what you're worth  
Make em go oh oh oh  
As you shoot across the sky-y-y  
Boom boom boom even brighter than the moon moon moon  
Boom boom boom even brighter than the moon moon moon
