

Do It Alone

Sugarcult

Hello

Can I say that there's something wrong with this place?
I got time just to waste if you would be my new escape

So then I say "can't find a lover"

Well there's no other way of pulling me under
Cause it's gotta be fate if we're under the covers
It's all gonna be a-ok, a-ok I don't want to do it alone

I'm beggin' you

I don't want to do it, do it, do this all alone We can dance in your bedroom with no romance

I got time just to waste if you would be my new escape

So then you say "won't be another"

But you give it away cause you want to discover

That it's gotta be fate if we're under the covers

It's all gonna be a-ok, a-ok

I don't want to do it alone

I'm beggin' you

I don't want to do it alone

Tell you what

I don't want to do it alone

I'm beggin' you

I don't want to do it, do it, do this all 1, 2, 3, 4

4, 3, 2, 1 I don't want to do it alone

I'm beggin' you

I don't want to do it alone

I'm beggin' you

I'm beggin' you

I'm beggin' you

I'm beggin' you

I don't want to do it alone

I'm beggin' you

I don't want to do it alone

Tell you what

I don't want to do it alone

I'm beggin' you

I don't want to do it, do it, do this all alone Can I say that there's something wrong with this place?

I got time just to waste if you would be my new escape

So then I say "can't find a lover"

Well there's another way of pulling me under
Cause it's gotta be fate if we're under the covers

It's all gonna be a-ok

It's all gonna be a-ok, a-okI don't want to do it alone
