

Don't Take It Personal (Just One of Dem Days)

Monica

It's just one of dem days, when I wanna be all alone
It's just one of dem days, when I gotta be all alone
It's just one of dem days, don't take it personal
It's just one of dem days, and you think I treat you wrong I wanna take some time out to think
things through
I know it always feels like I'm doing you wrong but I'm so in love with you
So understand that I'm only in love, you're the only one I need
So have no thought that I want to leave, and baby trust me please Just one of dem days, that a
girl goes through
When I'm angry inside, don't want to take it out on to you
Just one of dem days, don't take it personal
I just wanna be all alone, and you think I treat you wrong Don't take it personal
Baby, baby, baby, baby, baby
I sit and think about every thing we do
And I find myself in misery and that ain't cool
Hey now, I really want to be with you the whole way through
But the way you make me feel inside keeps me confused As I swing back mood to mood it's not
because of you
I never want you to be insecure, so won't you understand
That I'm only in love, you're the only one I need
I'll be there for you when you need me boy, so baby don't you leave Just one of dem days, that a
girl goes through
When I'm angry inside, don't want to take it out on to you
Just one of dem days, don't take it personal
I just wanna be all alone, and you think I treat you wrong Just one of dem days, that a girl goes
through
When I'm angry inside, I don't want to take it out on you
Just one of dem days, don't take it personal
I just wanna be all alone, and you think I treat you wrong
Don't take it personal
Baby, baby, baby, baby, baby
Don't take it personal, yeah
Don't take it personal Just one of dem days, that a girl goes through
When I'm angry inside, don't want to take it out on you
Just one of dem days, don't take it personal
I just wanna be all alone, and you think I treat you wrong Don't take it personal, baby
Personal baby, personal baby
Personal baby, personal baby
Personal baby, personal baby, personal baby
