

# This Is Me

Demi Lovato & Joe Jonas

I've always been the kind of girl  
That hid my face  
So afraid to tell the world  
What I've got to say  
But I have this dream  
Right inside of me  
I'm gonna let it show  
It's time to let you know  
To let you know This is real, this is me  
I'm exactly where I'm supposed to be now  
Gonna let the light shine on me  
Now I've found who I am  
There's no way to hold it in  
No more hiding who I wanna be  
This is me  
Do you know what it's like  
To feel so in the dark?  
To dream about a life  
Where you're the shining star  
Even though it seems  
Like it's too far away  
I have to believe in myself  
It's the only way This is real, this is me  
I'm exactly where I'm supposed to be now  
Gonna let the light shine on me  
Now I've found who I am  
There's no way to hold it in  
No more hiding who I wanna be  
This is me  
You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you, I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you, I gotta find you This is real, this is me  
I'm exactly where I'm supposed to be now  
Gonna let the light shine on me  
Now I've found who I am  
There's no way to hold it in  
No more hiding who I wanna be, yeah  
(This is me) You're the missing piece I need  
The song inside of me

(This is me) You're the voice I hear inside my head (yeah), the reason that I'm singing  
Now I've found who I am  
There's no way to hold it in  
No more hiding who I wanna be  
This is me
