

Without You

Kem

Yeah, here's another one
Uh, yeah, come on
Soul shock, Karlin, Frankie J
Wooo here's another one, yeah, feel this right here
Come on, come on, come on, come on It feels like only yesterday that you was lying here with
me
I still hear you say "oh yeah"
Oh yeah, I loved the way you'd say "oh yeah"
And now it's just a memory
And I'm knowing that it was my fault
By thinkin' I could brush it off
And always would be sayin' "oh yeah"
So what it's 5 am
I'm checkin' in when I check in Baby I'm thinkin' I'm so slick
When I know I've done you wrong
But you never know what you got
'Til what you got is gone, yeah
Gotta try to make it through without you (oh yeah)
When there's nothing I could do (come on baby)
Gotta try to make it through without you (ohhh yeah)
When there's nothing I could do Come on, come on, come on
Yeah
Yeah, mmmmm I remember comin' home that night
Knowin' something wasn't right
I was sayin' "oh yeah"
I'm sure that all her things were packed
But now it's just too late to get her back
I didn't even have to read the note
Just to know that your heart was broke
I was thinkin' "oh yeah"
You had more than you could stand
I should've been a better man
Baby I'm thinkin' I'm so slick
Girl I was doin' you so wrong
But you never know what you got
'Til what you got is gone (gone) Gotta try to make it through without you (I don't know what
else to do)
When there's nothing I could do (there's nothing I could do)
Gotta try to make it through without you (but I'm gonna try to make it through, yeah)
When there's nothing I could do Come on, come on
Come on, baby I'm so sorry for the things I've done
Should've put you number one

But I've been playing myself
'Cause I know now that you're all I want
But if you gave me one more chance
I'd break it down for you lady
No more playing around
Baby I would be there for you
Gonna make it through...Gotta try to make it through without you
When there's nothing I could do (i'm so sorry that I hurt you bad)
Gotta try to make it through without you (I don't know what else to do)
When there's nothing I could do (come on 4x) (baby please forgive me)Gotta try to make it
through without you (baby please forgive me, forgive me)
When there's nothing I could do (oh yeah)
Gotta try to make it through without you (you know that I'm guilty baby)
When there's nothing I could do (and I'm so sorry baby)Ohhhhhh yeah
Yeah, oooooohh yeah
No-ooooohhh
Yeah, yeah
Yeah, yeah
