

# Over

## Portishead

I can't hold this state  
    Anymore  
    Understand me  
    Anymore  
To tread this fantasy, openly  
    What have i done  
    Oh, this uncertainty  
    Is taking me over  
I can't mould this stage  
    Anymore  
    Recognize me  
    Anymore  
To tread this fantasy, openly  
    What have i done  
    Oh, this uncertainty  
    Is taking me over
