

# We Wanna Party

TJR

We came to drink  
Turnin' up  
And party  
We came to drink  
Turnin' up  
And party  
Nobody say  
WE WANNA PARTY  
We wanna party  
Somebody Say  
WE WANNA PARTY  
We wanna party  
Somebody say  
Get out of your mind  
And go crazy like psycho  
Crazy crazy crazy like psycho  
Nobody say  
WE WANNA PARTY  
We wanna party  
Somebody Say  
WE WANNA PARTY  
We wanna party  
Somebody say  
Get out of your mind  
And go crazy like psycho
