

# Little By Little (Caribou Rmx)

## Radiohead

Turned so nasty now  
The dark cell  
The pillar of my soul  
The last one out of the box  
The one who broke the spell Little by little by hook or by crook  
I'm such a tease and you're such a flirt  
Once you've been around you've been around enough Little by little by hook or by crook  
Never living earnest, never get judged  
I'm no idiot, I should look  
Your clue on hold, the flag and pole  
I'm curling with my love  
The last one out of the box  
The one who broke the seal Obligations  
Complications  
Routines and schedules  
A job that's killing you  
Killing you  
Little by little by hook or by crook  
Never living earnest, never get judged  
I don't know where it is I should look Little by little by hook or by crook  
I am such a tease, and you're such a flirt
