

# Hypnotised (Extended Remix)

## Simple Minds

I can feel the whole world spinning around I'm losing ground  
I feel it every day and I can feel you coming inside out  
I'm losing touch with all reality  
I remember the look in your eyes the way that they pulled me inside  
all I've got now in my defence is my innocence  
I've been hypnotised I can hear the church bells ringing out  
reminds me of some bright and sunshine day when all the pretty horses  
you would ride would come right back to feel your energy  
I still remember the look in your eyes the way that they filled me inside  
all I've got now in my defence is my innocence  
I've been hypnotised  
You know it won't be easy it's never easy I've been hypnotised  
so tell me what you think do you think I'll sink number one  
scapegoat I'm the missing link all I know I've been hypnotised  
It won't be easy If you've got a heart that burns inside let me get inside  
let me tangle with the flames if you've got a light that burns inside  
the heat will rise and melt down once again  
I still remember the look in your eyes the way that they pulled me inside  
all I've got now in my defence is my innocence  
I've been hypnotised  
all I've got now in my defence is my innocence  
I've been hypnotised  
I'm waiting for a sign help me realign maybe it's a sin I know but  
It's not a crime all I know I've been hypnotised  
maybe there's a way I can find a way final hour judgement day  
all I know I've been hypnotised and then I realise
