

Make It Up As I Go (feat. K.Fløy)

Mike Shinoda

[Intro 1: K.Fløy]

I keep on running backwards

I keep on losing faith

I thought I had the answers

I thought I knew the way My brother said be patient

My mother held my hand

Don't know what I'm chasing

I don't know who I am [Verse 1: Mike Shinoda]

Woke up this morning holdin' my head

Thinkin' last night is one of regret

Washin' off the bad decisions, the blurry vision

The clues that I'm still a mess

Spittin' out the taste I have in my mouth

Knowin' what this all is really about

Knowin' there's an explanation, an expiration

I gotta figure shit out [Pre-Chorus: Mike Shinoda]

And they're askin' me if I can see

The darkness down below

And I know it's true, I say I do

And half the time I don't Maybe I can't make what it may take

To leave this thing behind

But I shut my eyes and cross each line

And every time [Chorus: K.Fløy]

I keep on running backwards

I keep on losing faith

I thought I had the answers

I thought I knew the way

My brother said be patient

My mother held my hand

I don't know what I'm chasing

I don't know who I am [Verse 2: Mike Shinoda]

Waking in the dead of night, I can't sleep

Sleeping in the light of day for like weeks

Reality was out of focus, I could be hopeless

Instead I gritted my teeth I didn't have the patience left to explain

Didn't wanna wake when nobody came

I know the path I had's uneven, but while I'm breathing

I have to make my own lane [Pre-Chorus: Mike Shinoda]

And they're askin' me if I can see

The darkness down below

And I know it's true, I say I do

And half the time I don't Maybe I can't make what it may take

To leave this thing behind
But I shut my eyes and cross each line
And every time[Chorus: K.Flay]
I keep on running backwards
I keep on losing faith
I thought I had the answers
I thought I knew the wayMy brother said be patient
My mother held my hand
I don't know what I'm chasing
I don't know who I am[Outro: K.Flay, Mike Shinoda & both]
So, I make it up as I go-oh-oh
I make it up as I go-oh-oh
So, I make it up as I go-oh-oh
I make it up as I go, as I goI keep on running backwards
I keep on losing faith
I thought I had the answers
I thought I knew the wayMy brother said be patient
My mother held my hand
I don't know what I'm chasing
Don't know who I amSo, I make it up as I go-oh-oh
I make it up as I go-oh-oh
So, I make it up as I go-oh-oh
I make it up as I go, as I go
