

Missed

Ella Henderson

You think you're missed,
Well let me tell you this,
The love I felt for you,
Has flown away...And now you see,
What have you done to me
So all I can ask is why, why
You made us feel like one,
I should've known that you were wrong,
Oh yeah, you did it on your own,
Now you got to go,
Oh no, I won't let you get me down,
You tried to hurt my feelings,
You stopped me dreaming,
But here I draw the line,
I wish you luck in life and goodbye
You let me think,
That you were so so true
Lows, lies, truth can't lie
You wanted to go,
From a high straight down to a low But all the excuses here,
The reasons they're, they're everywhere
Chasing rainbows can be fun
Been chasing you for so long
Oh yeah, you did it on your own,
Now you got to go,
Oh no, I won't let you get me down,
You tried to hurt my feelings,
You stopped me dreaming,
But here I draw the line,
I wish you luck in life and goodbye
