

# Bolero

## Fancy

Let's not be the ones outside  
Looking at the world go by  
Saw you standing all alone Wasted time has gone for good  
Play no more, its understood  
Come to the twilight zone Let me feel your secret hand  
Like a feather on the sand  
Only made of gold You can make me feel a king  
And surrender everything  
A fire can't control REFRAIN:  
Hold me in your arms again  
Strangers down a lonely lane  
We can still survive  
Driftwood on the stream of life  
Hold me in your arms again  
Let me touch your velvet skin  
No more lonely nights  
On the way of no return Play me the bolero See your mystery in your eyes  
And the emotion in your lies  
I feel the magic in your touch  
'cause the wanting is too much Hold me in your arms again  
Strangers down a lonely lane  
We can still survive  
Driftwood on the stream of life Hold me in your arms again  
Let me touch your velvet skin  
No more lonely nights  
On the way of no return  
Play me the bolero  
My bolero Hold me in your arms again  
Strangers down a lonely lane  
We can still survive  
Driftwood on the stream of life  
Hold me in your arms again
