Come a Little Closer

Dierks Bentley

Come a little closer baby
I feel like layin' you down
On a bed of sweet surrender
Where we can work it all outThere ain't nothin' that love can't fix
Girl it's right here at our fingertips
So come a little closer baby
I feel like layin' you downCome a little closer baby
I feel like lettin' go
Of everything that stands between us
And the love we used to know
I wanna touch you like a cleansin' rain
And let it wash all the hurt away

So come a little closer baby

I feel like lettin' goIf there's still a chance then take my hand

And we'll steal away

Off into the night, until we make things right The sun's gonna rise, on a better dayCome a little closer baby

I feel like strippin' it down

Back to the basics of you and me

And what makes the world go? roundEvery inch of you against my skin I wanna be stronger than we've ever been

So come a little closer baby I feel like strippin' it down Come a little closer baby Just a little bit closer baby Come a little closer baby
