

# In the End

## Rush

Well, I can see, what you mean  
It just takes me longer  
And I can feel, what you feel  
It just makes you stronger You can take me for a little while  
You can take me, you can make me smile in the end  
Whao yes, you can  
Woo yeah Well, I can see, what you mean  
It just takes me longer  
Lord and I can feel, what you feel  
It just makes you stronger  
Well I know, I know, I know  
Oh, the feeling grows  
Well I see, I see, I see  
Ohh no, it's got to be  
Ohh yeah  
Whao yeah  
Whao yeah Ohh you can take me for a little while  
You can take me, you can make me smile in the end  
Woo yeah  
Yes, you can Well, I can shine like you shine  
It doesn't make me brighter  
But if I think, no like you think  
It don't make my load much lighter  
Whao Woo yea yea yea  
Woo, I can see, what you mean?  
It just takes me longer  
And I can feel, what you feel?  
It just makes you stronger  
Woo yea yeah  
Ohh yeah  
Ohh yeah  
Ohh yeah  
Ohh yeah
