

# Already Gone

Kelly Clarkson

Remember all the things we wanted  
Now all our memories, they're haunted  
We were always meant to say goodbye Even with our fists held high  
It never would have work out right, yeah  
We were never meant for do or die I didn't want us to burn out, I  
Didn't come here to hurt you now I can't stop I want you to know  
That it doesn't matter  
Where we take this road  
Someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone  
Looking at you makes it harder  
But I know that you'll find another  
That doesn't always make you wanna cry  
Started with a perfect kiss then  
We could feel the poison set in  
Perfect couldn't keep this love alive You know that I love you, so I  
Love you enough to let you go I want you to know  
That it doesn't matter  
Where we take this road  
Someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone  
And I'm already gone  
I'm already gone  
You can't make it feel right  
When you know that it's wrong  
I'm already gone  
Already gone  
There's no moving on  
So I'm already gone Already gone  
Already gone  
Already gone Already gone  
Already gone  
Already gone, yeah Remember all the things we wanted  
Now all our memories, they're haunted  
We were always meant to say goodbye I want you to know  
That it doesn't matter

Where we take this road  
Someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone  
I'm already gone  
I'm already gone  
You can't make it feel right  
When you know that it's wrong  
I'm already gone  
Already gone  
There's no moving on  
So I'm already gone
