

I Won't Let You Go

James Morrison

When it's black
Take a little time to hold yourself
Take a little time to feel around before it's gone
You won't let go but you still keep on falling down
Remember how you save me now from all of my wrongs
Yeah If there's love just feel it
And if there's life we'll see it
This is no time to be alone, alone yeah
I won't let you go Say those words
Say those words like there's nothing else
Close your eyes and you might believe
That there is some way out
Yeah
Open up
Open up your heart to me now
Let it all come pouring out
There's nothing I can't take And if there's love just feel it
And if there's life we'll see it
This is no time to be alone, alone yeah
I won't let you go
(Won't let you go)
(Won't let you go) If your sky is falling
Just take my hand and hold it
You don't have to be alone, alone yeah
I won't let you go
(Won't let you go)
(Won't let you go)
And if you feel the fading of the light
And you're too weak to carry on the fight
And all your friends that you count on have disappeared
I'll be here not gone, forever holding on If there's love just feel it
And if there's life we'll see it
This is no time to be alone, alone yeah
I won't let you go
(Won't let you go)
(Won't let you go) If your sky is falling
Just take my hand and hold it
You don't have to be alone, alone yeah
I won't let you go
(Won't let you go)
(Won't let you go) I won't let you go
I won't let

I won't let you go
No, I won't let
I won't let you go
I won't let you go
