

Biotech Is Godzilla

Sepultura

Rio Summit, '92
Street people kidnapped
Hid from view
"To save the earth"
Our rulers met
Some had other
Secret plans No... no... no... no... Biotech
Biotech
Biotech
Say what? Strip-mine the Amazon
Of cells of life itself
Gold rush for genes is on
Natives get nothing
Biotech
Biotech
Biotech
Is Godzilla Mutations cooked in labs
Money-mad experiments
New food + medicine?
New germs + accidents!
Like Cubatao
"World's most polluted town"
Air-melts your face
Deformed children all around Bio-technology
Ain't what's so bad
Like all technology
It's in the wrong hands
Cut-throat corporations
Don't give a damn
When lots of people die
From what they've made
Biotech
Biotech
Biotech
Is A.I.D.S.?
Stop!
