

# Biotech Is Godzilla

## Sepultura

Rio Summit, '92  
Street people kidnapped  
Hid from view  
"To save the earth"  
Our rulers met  
Some had other  
Secret plans No... no... no... no... Biotech  
Biotech  
Biotech  
Say what? Strip-mine the Amazon  
Of cells of life itself  
Gold rush for genes is on  
Natives get nothing  
Biotech  
Biotech  
Biotech  
Is Godzilla Mutations cooked in labs  
Money-mad experiments  
New food + medicine?  
New germs + accidents!  
Like Cubatao  
"World's most polluted town"  
Air-melts your face  
Deformed children all around Bio-technology  
Ain't what's so bad  
Like all technology  
It's in the wrong hands  
Cut-throat corporations  
Don't give a damn  
When lots of people die  
From what they've made  
Biotech  
Biotech  
Biotech  
Is A.I.D.S.?  
Stop!
