

# Brand New Day

## Massari

If my life was a dream  
Would you come and sleep beside me  
If it's real how it feels  
Would you stay right here with me  
Fairies see i'm in love  
Girl I'm so glad that I found you  
I would dance to the sound  
Of your heartbeat everyday  
If i had the chance to make you understand to  
Maybe I would find the words to say  
You know where I'm going it  
I can see you glowing  
Baby it's a brand new  
Brand new day  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Want you so bad  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Losing my mindIf my life was a dream  
Would you fall asleep to find me  
It's so real how it feels  
Baby stay right here with me  
Fairies see I'm in love  
Searching my whole life to find you  
I would sleep to the sound  
Of your heartbeat everyday  
If I had the chance to make you understand to  
Maybe I would find the words to say  
You know where I'm going  
I can see you glowing  
Baby it's a brand new  
Brand new day  
If i had the chance to make you understand to  
Maybe I would find the words to say  
You know where I'm going it  
I can see you glowing  
Baby it's a brand new  
Brand new dayHabibi habibi I  
Habibi habibi I

Habibi habibi I  
Want you so bad  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Losing my mindHabibi habibi I  
Habibi habibi I  
Habibi habibi IHabibi habibi I  
Habibi habibi I
