

If There's Any Justice

Lemar

Ye-ah-ah
Yeah
I would be your man
You would be my girl
Oh yeah
I beleive
I do
If there's any justice in the world I would be your man
You would be my girl oh yeah
If i'd found you first you know its true
He would be alone
I would be with you
When you decide, dont let me down
Coz there's nothing to be certain in my life
And you've seen a thousand times
There's not much justice in the world
oh no uh
If there's any justice in your heart
You love pity it changed
Ease it into heart
Oh no
Why dont you remember how it feels
Not to give a damn
For anyone but me yeah I cant believe you'd be decieved
Changing memories from truth to fantasy
Where there's nothing left but tears
And there's not much justice in the world oh
Just because he's wrapped around your finger
Don't fool yourself with dreams that might appear oh
If in time you'll stop and trust your feelings
The truth is out there somewhere It's blowing in the wind oh
If there's any justice in the world
I would be your man
You would be my girl
Oh yeah
If i'd found you first you know its true
He would be alone and I would be with you
When you decide, dont let me down
Coz there's nothing to be certain in my life
And I've seen a thousand times
There's not much justice in the world no
If I should lose you girl you know

That theres not much justice in the world
no no no
If there's any justice in the world
You're gonna be my baby
You're gonna be my baby
You're gonna be my baby
yeah yeah
