

Like You Do

Joji

Lately, I can't help but think
That our roads might take us down different phases
Don't wanna complicate the rhythm that we've got
But I'm speechless
When everything's so pure, can it be aimless?
Painless? If you ever go, all the songs that we like
Will sound like bittersweet lullabies Lost in the blue
They don't love me like you do
Those chills that I knew
They were nothing without you, and
Everyone else, they don't matter now
You're the one I can't lose
No one loves me like you do
Since I met you
All the gloomy days just seem to shine a little more brightly
Consider what we've got
'Cause I can never take you for granted
Is there another us on this whole planet?
Planet? If you ever go, all the songs that we like
Will sound like bittersweet lullabies Lost in the blue (Ooh)
They don't love me like you do
Those chills that I knew (Ooh)
They were nothing without you, and
Everyone else, they don't matter now
You're the one I can't lose
No one loves me like you do No one loves me like you do
I don't wanna seem foolish
When I jump into this
You're all that I see Lost in the blue (Ooh)
They don't love me like you do
Those chills that I knew (Ooh)
They were nothing without you, and
Everyone else, they don't matter now (Ooh)
You're the one I can't lose
No one loves me like you do
No one loves me like you do
