

Rock You (feat. Sean Garrett)

Jesse McCartney

Sean: Yeah once again there's some what's in the pen
Sean hear ya boy case but I'm blowin' in the wind
I got my young boy Jesse gettin' at the Missy
Don't you be with me and we be gettin' undress-ed
Jesse: What you see (see), something that
you need (need)
Spend the night with me and I'll rock you (rock you)
Oh believe (believe), you ain't been a tree (tree)
Till you follow me and I'll rock you
Sean: She scrambled for the camera
I got her blowin' in the wind like I'm nirvana
Wait a minute I don't think y'all heard me I said nirvana
That means I'm rocker than the rocks in Montana
Jesse: All I wanna do is get at you, alive like a
seatbelt
Eat at your heart like the drums on my beat baby
You and me we gonna travel like a visa
And I ain't worried 'bout what I'm spendin' either
And I'ma rock you
I gotta see that, hey hey hey
Girl I'll rock you
Come give me some of that, hey hey hey hey
You want a love (love) and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin' alright
You want to work (work) you wanna be the boss of my house
Well you must not have a clue of what that ticket's gon' cost you
I'ma rock you
Sean: Hey mama my car runnin'
Oh you like we a track team in a bohoggin
Put it on my car's gotta go at least two hundred
So when the cops clock me they better bleep flow it
Jesse: All I wanna do is get at you, alive
like a seatbelt
Eat at your heart like the drums on my beat baby
You and me we gonna travel like a visa
And I ain't worried 'bout what I'm spendin' either
And I'ma rock you
I gotta see that, hey hey hey
Girl I'll rock you
Come give me some of that, hey hey hey hey
You want a love (love) and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin' alright
You want to work (work) you wanna be the boss of my house
Well you must not have a clue of what that ticket's gon' cost you
I'ma rock you
They call me Jesse baby, can't tell me nothing baby
They call me Jesse baby, I wanna tell you somethin'
All I wanna do is get at you, alive like a
seatbelt

Eat at your heart like the drums on my beat baby
You and me we gonna travel like a visa
And I ain't worried 'bout what I'm spendin' either And I'ma rock you
I gotta see that, hey hey hey
Girl I'll rock you
Come give me some of that, hey hey hey hey
You want a love (love) and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin' alright
You want to work (work) you wanna be the boss of my house
Well you must not have a clue of what that ticket's gon' cost you I'ma rock you
You wanna give me that, hey hey hey
Girl I'ma rock you
I never seen her hey hey like that
You want a love (love) and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin' alright
You want to work (work) you wanna be the boss of my house
Well you must not have a clue of what that ticket's gon' cost you
I'ma rock you
