

Unbreakable

DJ Sammy

I wish this heart of mine could be
that unbreakable like a monument for love
Built of stones you could not see
I keep on telling many sweet lies
So unbelievable

Guess I make it through this time
Hoping you will guide my way I wish this heart of mine could be
that unbreakable like a monument for love
Built of stones you could not see
I keep on telling many sweet lies
So unbelievable

Guess I make it through this time
Hoping you will guide my way
Hoping you will guide my way
